# KEVIN NEALON

Emmy and SAG-nominated actor, comedian, and author Kevin Nealon is best known for his nine-year stint as a cast member of NBC's *Saturday Night Live* and has received critical acclaim for his role in the Showtime series *Weeds*. Kevin most recently starred on the CBS-TV comedy series *Man with a Plan*, produces and hosts the digital series *Hiking with Kevin*, and tours his stand-up globally.

Nealon's self-produced, edited, and hosted web series *Hiking with Kevin* is exclusively available on his YouTube channel of the same name. In the series, Kevin interviews his A-list celebrity friends on hikes throughout the country.

Most recently, Nealon starred in CBS's *Man with a Plan* during all four seasons. Kevin's extensive television credits include Golden Globe and SAG-nominated *Weeds*, the titular voice role of *Glenn Martin, DDS*, two critically acclaimed stand-up specials for Showtime, and a number of appearances on *Monk*, *Curb Your Enthusiasm*, *Still Standing*, and more. His extensive film career includes projects such as *Anger Management*, *Eight Crazy Nights*, *The Wedding Singer*, *Happy Gilmore*, *Go With It*, *You Don't Mess with the Zohan*, *Joe Dirt*, *Daddy Day Care*, *Roxanne*, and *Grandma's Boy*.

As one of the longest-running cast members on NBC's *Saturday Night Live* (1986-1995), Nealon created some of the show's most memorable characters; his recurring role as an anchor on 'Weekend Update' helped make the sketch a show staple. In 1988, he earned an Emmy nomination as part of the SNL writing team.

Currently, Kevin resides in Los Angeles with his wife and son.

# WHAT IS THE VISD EDUCATION FOUNDATION?

The VISD Education Foundation is a 501(c)(3) charitable organization that serves as a link between the school district and our community. Led by a volunteer board of directors, the Foundation raises monies to fund projects that exceed state mandates to provide learning experiences that motivate our students and further their education. The mission of the Foundation is to generate and distribute resources to VISD that enrich teaching, inspire learning and enhance opportunities for students to become contributing members of our society.

The Foundation does not replace lost state funding or take the place of the district's operating budget, providing monies for projects and activities that go beyond the typical classroom experience. As a result, every one of VISD's campuses has received money from the Foundation.

## WHAT IS OUR IMPACT?

Annually we impact between 5,000 and 14,000 students through hands-on, STEAM (science, technology, art, engineering, and math) project-based learning through our Grants for Great Ideas initiative and support dual credit scholarships and senior scholarships to students in Victoria ISD. Our bottom line seeks to advance the career trajectory of students in a district in which 69% are categorized as economically disadvantaged (Title I data, 2021-2022).
