ABOUT DARCI LYNNE

Actor / Singer / Ventriloquist Darci Lynne is the youngest contestant to ever win NBC's "America's Got Talent," garnering over 90M views on AGT's YouTube and the most votes for a final performance in the history of the show. She won the hearts of America with her sweetheart disposition and undeniable talent. In 2018, she kicked off her national tour selling out her first headlining family-friendly show in just six minutes, continually adding shows to meet the overwhelming demand. On the heels of a record-breaking 2019, the gifted Singer/Ventriloquist kicked off her 2021 "My Lips Are Sealed (Except When They're Not)" National Tour, where she shares her passion for performance and brings her enchanting music across the country. Growing up in Oklahoma, her polished, impeccable skill as a ventriloquist at such a young age is jaw-dropping and sure to inspire the next generation to keep the craft alive, but when she sings, she leaves her audience breathless. Darci has performed at the Grand Ole Opry, opened for Fergie at Caesar's Palace on New Year's Eve, and starred in her own NBC Christmas Special. Darci Lynne's popularity on stage and TV has expanded onto the social media scene, with her TikTok profile soaring from 7K followers at the beginning of 2021, to an astounding 4M followers and 67M total likes in one year (@its_darcilynne). Darci has been seen on "America's Got Talent," "America's Got Talent: Champions," NBC's "Little Big Shots," Food Network's "Kids Baking Championship," Nickelodeon's "All That," "Unfiltered," and "Side Hustle," "Ellen," "The Kelly Clarkson Show," and the "Today Show."

Name listed in printed event program

Acknowledgment on event-night signage and video screens

Social media recognition

\$500 Talking Hands Sponsor

2 tickets with prime seating

Name listed in printed event program

Social media recognition

ROLE & IMPACT

The VISD Education Foundation is a 501(c)(3) charitable organization that serves as a link between the school district and our community. Led by a volunteer board of directors, the Foundation raises monies to fund projects that exceed state mandates to provide learning experiences that motivate our students and further their education. The mission of the Foundation is to generate and distribute resources to VISD that enrich teaching, inspire learning and enhance opportunities for students to become contributing members of our society. The Foundation does not replace lost state funding or take the place of the district's operating budget, providing monies for projects and activities that go beyond the typical classroom experience. As a result, every one of VISD's campuses has received money from the Foundation.

Annually we impact between 5,000 and 10,000 students through hands-on, STEAM (science, technology, art, engineering, and math) project-based learning through our Grants for Great Ideas initiative and support dual credit scholarships and senior scholarships to students in Victoria ISD. Our bottom line seeks to advance the career trajectory of students in a district in which 70% are categorized as economically disadvantaged (Title I data, 2022-2023).
